- HR 3 S1 Resolution on Energy Policy urges the governor to withdraw Utah from the Western Climate Initiative, one of the few government-level efforts to prevent dangerous climate change.
- HB 120 S2 Snake Valley Aquifer Research Team & Advisory Council creates a Snake Valley Research Team & Advisory Council to elicit & communicate data on the effects & potential damage of groundwater pumping
- HB 122 Government Records Access & Management Act Amendments diminish public access to government documents by expanding the exclusion for pending litigation to both anticipated & pending litigation.
- HB 278 B & C Roads Fund Amendments would allow counties to divert up to 30% of road maintenance funds for speculative litigation to try to gain control of rights of way to obscure & disputed rural highways.
- HB 379 Environmental Litigation Bond would require anyone filing for a stay against final permits issued by five state agencies to post a bond sufficient to cover damages purportedly suffered by applicants.
- SJR 4 Recycling of Electronic Waste Joint Resolution encourages re-use and recycling of electronic products & urges collaboration between Utah Dept of Environmental Quality and Recycling Coalition of Utah
- SB 68 S1 Mining Protection Amendments codify a range of advantages for the mining industry including elevation of mining estate above the surface estate & create a mining protection zone nullifying most local regulation
- SB 102 Share the Road Special Group License Plate creates a new license plate highlighting bicycle safety & dedicates the revenue generated to groups promoting bicycle operation & safety awareness.
